Refund to account: 503642

Dear Sir or Madam:

I am writing to request a refund of \$125.00 that was paid by mistake in association with one of our pending patent applications, 09/761,670.

As shown in attachment A and attachment B, 42 claims and 3 independent claims were paid for at the time the application was filed. A recent amendment pushed that total to 43 claims with 5 independent claims (see attachment C). As a result of this change, \$225.00 should have been charged to our deposit account (\$200 for two additional independent claims and \$25 for one additional claim). As shown in attachment D, our account was charged \$350.00 in November for the changes related to 09/761,670 – an overpayment of \$125.00.

Please refund the overpayment of \$125.00 to account 503642 as soon as possible. Thank you.

Respectfully submitted,

Bennett, President, Asset Reliance, Inc.

Receipt is acknowledged of this nonprovisional Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. If an error is noted on this Filing Receipt, please write to the Office of Initial Patent Examination's Customer Service Center. Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the USPTO processes the reply to the Notice, the USPTO will generate another Filing Receipt incorporating the requested corrections (if appropriate).
